OUR MISSION

To help you create a lasting and fitting tribute to the loved one which is personal and unique.

WHO ARE WE?

Faith Stones Ltd have been supplying and fitting tomb and grave stone since 1990. Hence we have got over 23 years of experience in carving and masonry work.

At Faith Stones Ltd we understand how important it is to you to cherish the memory for the loved ones and that is what we have been doing. We have been supporting families in creating lasting tributes for their loved ones. A memorial is a lasting personal tribute to a loved one and as such the wording and any design makes it unique.

We specialise in head stones in different varieties ranging from Marbles, Granites and other stones from all over the world, carved to desired shape and inscribed with text of your choice e.g. Urdu, Arabic, English etc.

- ✓ We carry a large stock of stones with varying designs, colour and shapes.
- ✓ We treat you with respect and sensitivity that you deserve.
- ✓ Our head stones are competitively priced.
- ✓ We provide a complete package which includes supply, application to the relevant council department in which the cemetery is located, and installation of the headstones.
- ✓ All our fitters are members of National Association of Memorial Masons (NAMM)
- ✓ We make sure that you are happy with the design and the inscription by obtaining the proof before proceeding

If you are unable to visit us at our showroom, our representatives will be pleased to call on you without any obligation to buy. We can show samples of various materials and offer advice as to the layout and wording of your choice.
